## Consumption Option

With this option you purchase only what is ordered by your guests. You agree to purchase any open case of beer and any bottle of wine that is open at the end of the event. (This alcohol needs to be retained by Watch Hill catering, pursuant to RI law, and can be arranged to be picked up by you at our location or delivered to you at a later date for an additional fee). Choosing this option means we will tally up what your guests drink through the evening and total it at the end. There will be an addition \$3 per person charge for the bar set up as well as an addition 21% service charge and 8% sales tax added to the final bill.

## Cash Bar Option

All drinks are served and charged upon request of the guests. Client is responsible for paying a \$3 set up fee per guest as well as a \$150 fee to cover the cost of the bartender for a 3 hour event and \$250 fee for a 5 hour event.

## Provide Your Own Alcohol

This option allows you to purchase and provide your own alcohol for the event. When providing your own alcohol, you must purchase liquor liability insurance for \$150. This allows WHC to provide the bartender for your event for an additional fee of \$32.00 per hour. At the conclusion of this event, Watch Hill Catering must retain all alcohol, pursuant to Rhode Island Law. This will be brought to our commissary and we can schedule a time for you to pick it up or we can deliver it to you for a fee. There will be an addition \$3.00 per person fee if WHC is responsible for the bar set up.
